2. [REDACTED] LIAISON Jack Ticer, Senate Armed Services Committee staff, called concerning the listing of Agency classified documents which our records indicate were provided to the Committee during this year and which were sent at his request. Ticer is reviewing intelligence documents in Committee files to determine which should be returned to CIA and other agencies. It was agreed that he will let me know which CIA documents are no longer needed by the Committee and we will have them picked up.

✓4. [REDACTED] LIAISON Talked to Thomas Latimer, Staff Director, House Permanent Select Committee on Intelligence, about his 31 October letter to Frederick P. Hitz, Legislative Counsel, regarding the Career Trainee program. I told Mr. Latimer that it would take at least two weeks to do the research necessitated by the letter and asked him how serious he was about it. He told me that he regarded this information as critical to the needs of the Committee, with regard to charter legislation as well as other matters. I assured him that we would fill his needs and have passed the substance of his interests on to [REDACTED] Chief of Operational Training, OTR.
